## Message from School Administration

It is crazy to believe that Trimester 3 and hopefully spring are right around the corner! This year has really been flying by. The staff and students are looking forward to the next four months and all the exciting learning opportunities to come. To name a few - trimester three is a fresh start to new classes and new learning for both middle and high school students, we will be offering some new elective opportunities for grades 10-12 based on student interest and feedback, and as the weather warms more outdoor learning opportunities will start taking place (our learning is so much bigger than what happens within the four walls of our classrooms!).

Badminton will be starting the first week of March and Track and Field will begin in April. As well our new Business Club will continue as the year progresses. Their next project will be designing t-shirts for National Child and Youth Mental Health Awareness Day in May. Garden club will soon be starting up and I'm sure there will be other exciting events and activities that pop up along the way.

Thank you to the families and community members who have been participating in our family engagement events this year. If you haven't had the chance to attend one yet be sure to come, check out our March Movie Night this month or our Amazing Race event in May. Thank you to all parents for all you do to engage in your child's learning!

Lindsey Burym, Principal  
Lisa Kuchler, Vice-Principal

## Next LCS Playground Fundraiser

Veseys Fundraising  
Spring Planting Flower Bulbs &  
Seeds start March 9, 2020
