The minutes of the Meeting of the Council of the Village of Leask and RM of Leask which was held in the Leask Village Office on Thursday July 25, 2013 commencing at 8:00 PM. with Councilors Gordon Harris, Thomas Spriggs, Mayor Maurice Stieb, Councilor Real Diehl, Coucilor Boyd Donohue, Reeve Jim Joannette, Administrator Riannon Nelson and Administrator Brenda Lockhart present.

The meeting was called to order by Mayor Maurice Stieb at 7:56 P.M.

The purpose of the meeting was to discuss the road conditions within the Village, particularly South Road Allowance which sees significant use by passenger vehicles but also, heavier vehicles. Village is concerned with the present condition of the graveled portion of the road which needs immediate repair and also, the long term effect on the asphalt portion of this road which is exposed to the same heavy vehicle use.

Discussion was held around partnering in road repair, impact of road closures and weight restrictions, as well as, speed limits. RM Councilors appreciated the Villages concerns and will bring same to their next council meeting. The RM is faced with road issues and costs of their own and both council members appreciated the importance of cooperation and helping out with costs, equipment or labour whenever possible.

Discussion was also held with respect to the resignation of Derrill Rogerson from the position of the EMO Coordinator. It was agreed that his years of service and dedication should be recognized by both the RM and the Village. The RM members will bring for discussion at their next meeting and advise of outcome.

The meeting was adjourned at 8:55pm
