Drops Solutions Inc. SCADA System Proposal

2026-109 Priestley: That the Village of Leask accept Drops Solutions Inc. Proposal to install our new SCADA system in the Village of Leask's water treatment plant. All of the hardware and programming would be provided at Drops Solutions Inc. cost therefore DROPS would have the ability to test new system with the Village's older control interface. The Village is an excellent candidate due to the current system still being in place that would run in parallel during the testing phase of the new system. This creates a fully redundant system that will ensure no outages occur.

Carried
