## Message from School Administration

Spring is in the air at LCS! Jr. Gardeners will be starting soon led by Mrs. Milliken, Miss. Burym and Mrs. Doucette. If you child is participating in this, be sure to get them out in the garden helping you this spring! We have a new Creativity Club starting for our younger students. Track and Field practice has started for our older students, and we look forward to our elementary Track Meet coming up in June. It is nice to see how excited everyone is to get outside in the sunshine for recess, and a change in learning environment during class time, aside from the glitch in wintery weather at the end of April.

The last two months of the school year bring busy and exciting weeks with them. We are very excited to invite family and community members out to our Community BBQ & Parent Teacher Conferences on May 25th! We are looking forward to hosting parents and caregivers to this final round of conferences. Plenty of opportunity to get to know your child's teacher a little more before the end of the year, to hear more about what your child has been learning at school, and most importantly for us to know more about you and your child and who they are as a learner.

Students are looking forward to year-end class trips and grade 12 students are eagerly planning and preparing for graduation at the end of June. Just a reminder to grade 12 parents, you should have and will continue to receive updated graduation letters in the coming weeks.

As always, parents are welcome at the school as partners in learning. Please review the newsletter for more information on all these exciting events that are coming up over the next two months.

Lindsey Burym, Principal  
Lisa Kuchler, Vice-Principal
