Dear valued customer,

To alleviate any concerns in regards to roll out curbside cart garbage and recycling services, from TJ Disposal employees or TJ Disposal customers, please follow the guidelines below.

- Place all carts out on the street by the curb, **by 8am of the service day**. Carts placed out after this time cannot be guaranteed service.
- If more than one cart is being placed out, **space 4 feet apart**.
- Ensure that carts are away from vehicles or other objects.
- Ensure carts are placed far enough onto the street, for our service truck to visibly see and reach.
- **Place your trash can and recycling bin at the curb with the wheels facing your house and the lid opening into the street.**

These guidelines will guarantee the best possible service for your garbage and recycling collections, and we appreciate your cooperation.

Thank you.
