Re: Request for Opinion – Proposed SaskTel Tower Construction

Dear Residents of the Village of Leask:

SaskTel is in the process of expanding its wireless network to enhance service quality in our community. As part of this initiative, SaskTel is proposing to install a **33-meter self-support tower** at their existing building location. The proposed tower in Leask will have both 5G and 4G capabilities. SaskTel noted the existing wooden tower will eventually need to be replaced.

SaskTel is requesting Council approval; once Council approves, SaskTel can move to the next phase of approvals.

We as Council of the Village of Leask kindly request your opinion regarding this proposal.

Please indicate your position by checking the appropriate box below and/or providing a comment. Please return the form by July 15, 2025 to the Village office, in person, in the drop box, email admin@leask.ca or by Canada Post.

Name: _____

☐ **I am in favor** of the proposed wireless tower installation.

☐ **I am not in favor** of the proposed wireless tower installation.

COMMENTS: _____

If you have any questions or would like additional information before making your decision, please feel free to contact us at admin@leask.ca and or 306-406-2229.

Thank you for your time and cooperation.

Sincerely,
Yvette Hamel, Administrator
Village of Leask
