

We're Hiring!

Member Advisor Part-time | Leask

af·fin·i·ty (noun):

1. a natural compatibility
2. the name on our doors

We want our employees to feel great coming to work so that's why we give our talent the tools to excel. After all, a remarkable employee experience leads to extraordinary experiences for our members. If you have an affinity for working in a vibrant environment where your achievements are celebrated, then a career with us sounds like the perfect fit!

A competitive wage, benefits and the perfect part-time work schedule. That's what you'll get as part-time Member Advisor at our Leask Advice Centre. Working part-time, you'll be able to maintain a healthy life/work balance serving our members in a collaborative environment. Add a competitive **starting wage of \$27.65/hr** and a stellar benefits package and you've got the perfect gig!

What you'll do:

- Complete a variety of service and sale transactions while providing outstanding member service
- Provide financial advice that looks out for the members' best interest
- Spot member needs and offer products, services, referrals and tools that help them reach their goals
- Solve problems members encounter when using online banking or Affinity Mobile
- Offer technological solutions through our robust digital banking tools

What you'll get:

- The support to grow in your career with ample opportunities to advance
- A **starting wage of \$27.65/hr** plus bonuses for your hard work
- A total rewards package including health and dental benefits, pension and health spending account
- Vacation time, personal days off and a paid volunteer day
- A referral bonus when you scout great talent and they're hired to join our team

What you've got:

- A post-secondary diploma or degree in a related field or an equivalent combination of education and experience
- The personality and skills to interact with and serve members, aiming to make their interactions with us the best part of their day!
- Ample experience using digital tools and apps that can help our members with their banking (online banking, smartphones, tablets, etc.)

**So, what do you think?
Does it sound like you're
a fit for this role?**
