To Whom It May Concern,

Marcelin is a rural village 100 kms NW of Saskatoon. We are a small village with a big event. The Marcelin Events Committee provides social events and hall rentals for our residents and surrounding communities. This past year, we constructed a super-sized haunted house for adults and children and held several community events.

We are hosting our annual MX Games on August 16th, 2025 at the MX Games track in Marcelin. This event hosts tuff truck races, quad, side by side and motocross races for juniors and adults. This year will be our 15th year, every year our event brings more racers and more spectators.

This past year, our event has raised money to purchase land for our future track work and kitchen expansion.

This year we're hoping to raise even more! By becoming one of our sponsors, you'll be able to help us reach our goal which is to replace our aging hall, which is the hub of our community. Regardless of the amount you choose to give, your name will be included in our event program, and you'll be included in the press release that we'll publish on our social media.

We're accepting cash donations as well as in-kind donations of goods or services for our prize table. Please see our list of Sponsorship opportunities and great promotion packages on the next page. Feel free to make a contribution that you're comfortable with.

I would like to thank you in advance for your generosity. Please don't hesitate to email me at [2017mec@gmail.com](mailto:2017mec@gmail.com) or call (306) 737-8896 if you have any questions.

Sincerely,

Craig Verbonac  
President
